3. Types of Grants

Funding can be given as a community grant¹; matching grant², material donation³, annual innovation award⁴ or technical support⁵. Enterprises can apply for a **minimum of R1 000** and maximum of **R25 000** per grant. Up to two grants can be awarded to the same organisation in each calendar year, provided that compliance requirements are met (see 7.3). Projects must be completed in 6 – 12 months.

- **A community grant:** a funding amount paid in monthly installments/ tranches for appropriate operations.
- **A matching grant:** is double the money raised i.e. the project will contribute R2 for every R1 that the applicant or group raises (2:1 ratio).
- **Direct purchase:** the project company will directly purchase ALL goods/equipment and/or services or provide other material support.
- **Annual Innovation Grant:** a cash award for innovative projects and organizations that harness new ideas and technologies.
- **Technical Grant:** funding for training, mentorship, exposure visits and other capacity-building activities.

Note: Funding is awarded subject to available budgets.

¹ A community grant is a lump sum given for eligible EnD activities.

² A matching grant is double the money raised by a group (a ratio of 2:1 - R2 for every R1 raised)

³ A material donation is the direct purchase of goods and/or services by the Project Company or other material donation.

⁴ An annual innovation award is a cash award for innovative activities and organisations bringing new ideas and technologies.

⁵ Technical support is a grant for training, mentoring, exposure visits and other capacity building.
